UNSOLICITED TESTIMONIALS.

Prof. H. N. D. Parker.

Dear Sir. I must and feel it my duty to write and thank you for CURING ME. I AM FEILING BETTER than I have for five years. I CAN EAT ANYTHING I care to, and SLEEP SO WELL. May God bless you; and I had no idea SUCH SIMPLE THINGS COULD PUT ONE ON THEIR FEET AGAIN. I REMAIN a true BELIEVER in YOUR CURATIVE METHODS.

D. FULTON HARRIS, General Agent,

Washington, D. C., January 26, 1916.

Classified Advertising Manager, Washington, D. C., Dear Sir: Having for a long time been opposed to the use of
DRUGS in the TREATMENT of DISEASE, it is with great pleasure
I bear testimony to the healing methods employed by PROF. H. N. D.
PARKER. Since testing PROF. PARKER'S TREATMENT, I am MORE
FIRMLY CONVINCED than EVER that it is unnecessary to convert the
STOMACH INTO A CHEMICAL LABORATORY to get relief from suffering.

STOMACH INTO A CHEMICAL LABORATOR.

His treatment is painless, and thoroughly harmonizes with nature's laws governing the growth of our bodies. From the start the nerves tingle with renewed life and pleasure. Mere living takes on added zest, and most obstinate cases soon exchange the frown of pain for the smile of Health. Very truly yours,

Dear Sir: My husband suffered for years with NERVOUS INDIGESTION, caused by overeating. Through the columns of The Herald we
learned of DR. PARKER and his methods. We then decided to give him
a trial. Mr. Foster is now on the road to good health, although his tremendous appetite is a great drawback to a rapid recovery. I WOULD
RECOMMEND DR. PARKER to everyone with any nervous aliments.

Very truly, yours,

Mrs. D. H. FOSTER,
423 Eighth Street S. E.

Washington, D. C., January 31, 1915.

Prof. H. N. D. Parker.

Dear Doctor: I had suffered for four or five years with stomach trouble, and went to the most eminent doctors in New York, Baltimore, and Washington, and they all said that I had ULCER OF THE STOMACH, and kept me on a strict diet until I fell from 155 to 130 POUNDS. Then I consulted you, and now I am happy to say AFTER BEING TREATED BY YOUR WONDERFUL METHOD OF ENFORCING THE CIRCULATION OF THE BLOOD I now can eat anything, and WEIGH 152 POUNDS, and sleep well. In conclusion I can say that I recommend THIS TREATMENT HIGHLY TO ANYONE TROUBLED WITH THEIR STOMACH.

Yours, respectfully, SAMUEL DAVIS

A voluntary statement made by the HON. MARTIN DODGE, who was for six years, during the administrations of the late PRESIDENT McKIN-LEY and THEODORE ROOSEVELT, director of good roads in the De-

partment of Agriculture:

I consider PROF. H. N. D. PARKER'S method of treating chronic diseases the best in use. In fact, it is the only specific that can be applied to a given place on the body and confined to the one place only. My experience has shown me that the method is very efficacious, very specific, and entirely under the control of its operator. I was afflicted with chronic LUMBAGO SO BADLY at one time that I could not stand without support, and for years I was obliged to carry a cane. After treatment by PROF. PARKER I WAS GRADUALLY RELIEVED. AND NOW DO NOT USE A CANE OR OTHER MEASURE OF SUPPORT. MY GENERAL HEALTH IS BETTER THAN IT HAS BEEN FOR THIRTY YEARS.

Dear Sir:

I do not care so much about winning those tickets and this letter may contain something over a hundred words, but for the sake of suffering humanity, I certainly would like to see it published.

But the memory of those wild night spasms when grasping for breath and running around clutching frantically at the furniture like Basquo's ghost will not down, and even the mere thought that another attack is about to occur will make one's hair stand up like frills upon the fretful porcupine.

After I had tried everything known to the medical science, gypsum weed and faith healing, even going so far as out to the gravepard on a moonlight night and walking thirteen times around my mother-inlaw's grave with the left hind foot of a frostbitten rabbit in each hand, somebody suggested the Vacuum

On reading the notice of Prof. Zancig in The Herald yesterday I decided to see what he could tell me of the control of one's mind. I was so pleased at what I learned that I am going back again to the meetings, and later take up Prof. Zancig's forty lessons in palmistry.
